### Identification

|                   |               |
|-------------------|---------------|
| Category          | Accessories   |
| Type of accessory | Docking frame |

### Version

|               |                                                                                        |
|---------------|----------------------------------------------------------------------------------------|
| Size          | 24 B                                                                                   |
| Details       | Pull-in-range x-axis: $\pm 1.5$ mm<br>Pull-in-range y-axis: $\pm 1.5$ mm               |
| Pack contents | 1 frame<br>4 cheese head shoulder screws (Steel, zinc plated) to fix the docking frame |

### Technical characteristics

|                                         |               |
|-----------------------------------------|---------------|
| Mating cycles                           | $\geq 500$    |
| Mating cycles with other HMC components | $\geq 10,000$ |

### Material properties

|                             |                                                                                                                                                                                                                                                                                                                                       |
