

# LED SL 560 S-PUd-M8D-65

Art. Nr. 1-000000-06895

Ktl. Nr. 15070972

**SANGEL**<sup>®</sup>  
Systemtechnik

|                                      |                      |
|--------------------------------------|----------------------|
| Lichtfarbe / Light Colour            | 6500 K               |
| Schutzart / Internal Protection      | IP69K                |
| Netzanschluss / Main Supply          | 24 V DC              |
| Dimmbar / Dimmable                   | nein                 |
| Bestückt / Fitted With               | LED                  |
| Schutzklasse / Protection Class      | 3                    |
| Leistung / Power                     | 14,6 W               |
| Lichstrom / Luminous Flux            | 2412 lm              |
| Farbtreue / Colour Rendering         | RA / CRI $\geq$ 80   |
| Betriebstemperatur / Operating Temp. | -20°C / 45°C         |
| Lebensdauer / Lifetime               | min. 60000 h         |
| Optik / Optics                       | 100°                 |
| Maße / Dimensions                    | a= 624, b= 634mm     |
| Anschluss / Connection Type          | M8, 4-pol, a-codiert |
| Kaskadierbar / Cascadable            | ja                   |
| Gehäuse / Housing                    | Aluminium            |
| Gewicht(Netto) / Weight(Net)         | 0,8 kg               |
| Abdeckung / Cover                    | PU                   |
| Befestigung / Fastening              | starr                |
| Zubehör / Equipment                  | -                    |
