## Identification

| Category                             | Hoods/Housings  |
|--------------------------------------|---|
| Series of hoods/housings             | Han-Modular <sup>®</sup> Twin   |
| Type of hood/housing                 | Hood  |
|                                      |   |
| Version                              |   |
| Size                                 | Modular Twin  |
| Version                              | Side entry  |
| Cable entry                          | 1x M25  |
| Locking type                         | Single locking lever  |
|                                      |   |
| Details                              | Rated voltage ≤630 V   Rated impulse voltage ≤6 kV   Pollution degree 3   For a complete connector the specified voltage rating is the maximum level which can be achieved. In cases where the used module(s) do offer lower voltage ratings, then these lower ratings are valid. Higher voltage ratings in individual applications can be approved in coordination with HARTING. |

## Material properties

| Material (hood/housing) | Aluminium die-cast |
|-------------------------|--------------------|
| Surface (hood/housing)  | Powder-coated      |
